

Help Me Find My Voice

Module 6: Data Collection and Organization

Create a system for data collection

Create a shared data sheet

Train staff on how to address communication goals

Materials ready for goal work

Make recommendations for targets to address

Make sure to analyze the incoming data

Organize materials for ease of use

Each goal has a ziploc bag devoted to it

On the ziploc bag write the goal and objective (1.4)

Put the materials for the goal/objective in this bag

Put all of the bags into a container that can be moved easily
