

Optional Homework

In this unit we discuss the power of manding. Manding is so vital when working to help a student develop a way to communicate with the world. Take these actionable steps below to help students get started with manding.

1. List 3-5 items, activities, places, people that are preferred for the student and that they could mand for.
 - a. _____
 - b. _____
 - c. _____
 - d. _____
 - e. _____
2. How will this student mand for these items?
 - a. Sign
 - b. AAC
 - c. Verbalizations
 - d. Total communication

What other team members can be trained to help implement manding sessions:

6. Discuss manding strategies with staff and provide them with the manding strategies handout.
