

Optional Homework

In this unit we discuss systematic language instruction. There is a focus on choosing labeling targets for early learners. Follow the guide below to brainstorm labeling targets for your student.

1. What are preferred items that the student could work on labeling?
 - a. _____
 - b. _____
 - c. _____
 - d. _____
 - e. _____
2. Can you gather 2-3 picture examples of the above items?
3. Can you embed work on this skill within the student's day at school and how?
