

Winter And Summer

In the winter, I wear boots.

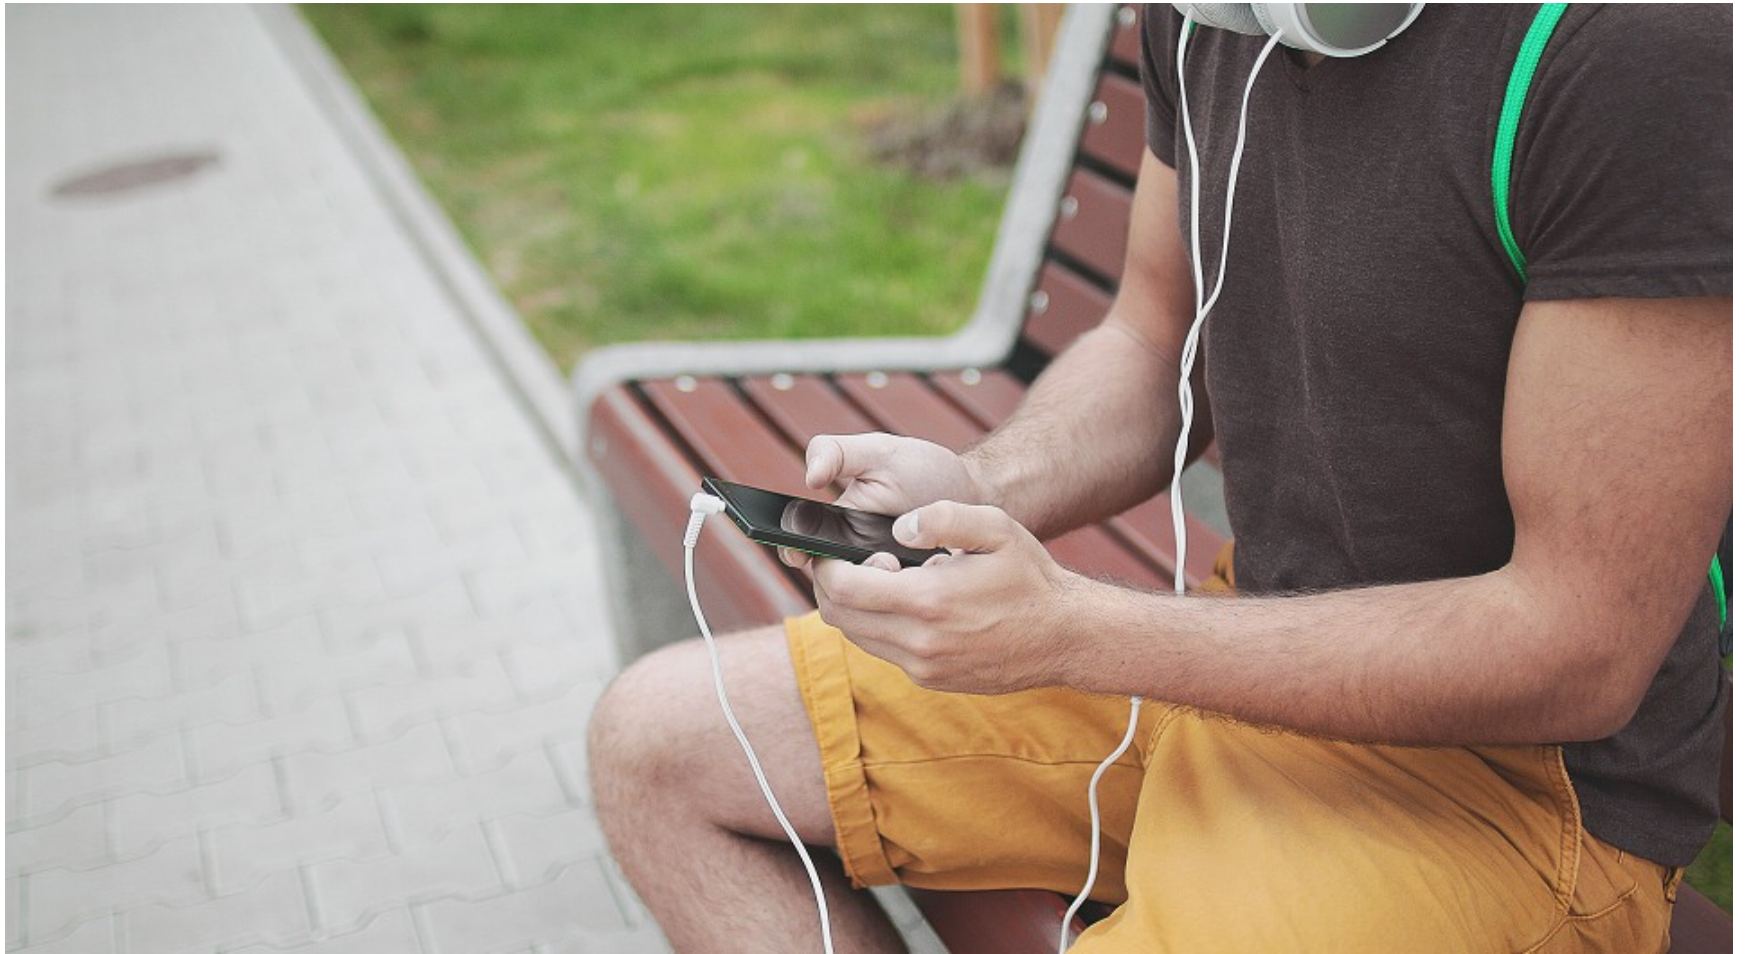

In the summer, I wear sandals.

In the winter, I wear a coat and hat.

In the summer, I wear short sleeves and shorts.

In the winter, it snows and
feels cold.

In the summer, it is sunny
and feels hot.

In the summer, I like to
swim at the pool.

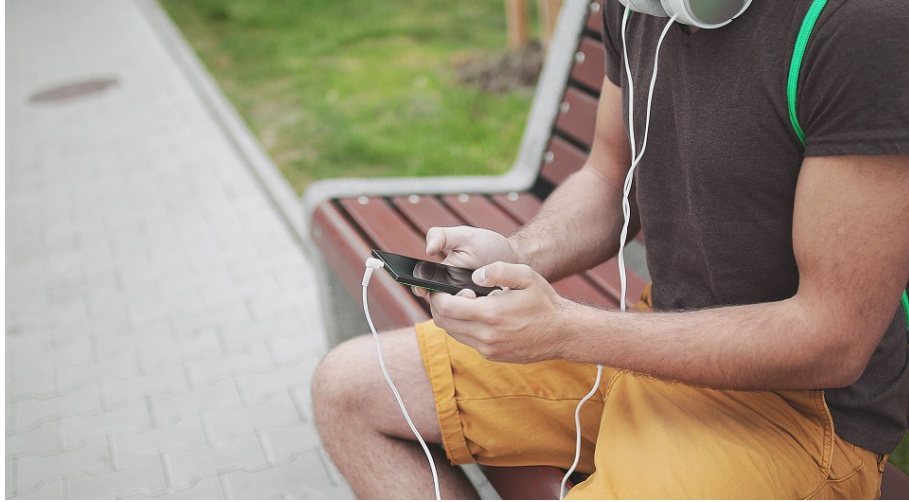

In the winter, I like to go sledding.

Which season do you like better?
